Imagine Retailer Integration | Payment Plugin Integrations

"2015's fastest growing consumer electronics e-retailer"
- Internet Retailer

Enable FlexShopper Payment

1. Log into Imagine Retailer account
2. Navigate to Shopping Cart -> Settings -> Payment Settings

The screenshot displays the Imagine Retailer dashboard with the 'Shopping Cart' menu selected. The 'Payment Settings' section is active, showing options to enable various payment methods. The 'Add Credit Card Payments' section includes Authorize.Net and Stripe, both with 'Enable' buttons. The 'Alternative Payment Settings' section includes PayPal and FlexShopper, also with 'Enable' buttons. Each payment method has a list of terms and conditions.

Payment Method	Terms and Conditions	Action
Authorize.Net Get more info	<ul style="list-style-type: none">• Merchant account application required• Integrated checkout on your site• 2.9% + .30c/transaction & setup fee• Authorize.net charges \$24/mnth and a one time setup fee of \$49	<button>Enable</button>
stripe Get more info	<ul style="list-style-type: none">• Integrated checkout on your site to accept credit cards• No monthly fees, no refund costs, no hidden fees• 2.9% + .30c per successful charge• Instantaneously accept credit cards on your site• Earnings are transferred to your bank account on a 2-day rolling basis	<button>Enable</button>
PayPal™ Get more info	<ul style="list-style-type: none">• No setup fee or monthly cost• 2.9% + 30c/transaction• No application fees	<button>Enable</button>

Enter Credentials

1. Fill in proper Retailer ID:
2. Fill in proper Retailer Token:

The screenshot displays the IMAGINERetailer dashboard. On the left is a sidebar menu with options: Dashboard, Website, Products, Sales Desk, Analytics, Email Marketing, Shopping Cart, Orders, Users, Shipping, Coupons, Settings (General, Payment Settings, Taxes), and Settings. The main content area is titled 'Add Credit Card Payments' and features a table of payment gateways. A modal window titled 'FlexShopper' is open, prompting for 'Retailer ID' and 'Retailer Token' with input fields and 'Close' and 'Save' buttons. The background table lists 'Authorize.Net', 'stripe', and 'PayPal' under the 'Add Credit Card Payments' section, and 'FlexShopper' under the 'Alternative Payment Settings' section. Each entry includes a logo, a 'Get more info' link, a list of features/benefits, and an 'Enable' button.

Fully Integrated!

Reach out to integrations@flexshopper.com to begin testing the payment plugin integration.

The screenshot displays the IMAGINERetailer .COM dashboard. On the left is a dark sidebar with navigation links: Dashboard, Website, Products, Sales Desk, Analytics, Email Marketing, Shopping Cart (highlighted), Orders, Users, Shipping, Coupons, Settings (General, Payment Settings, Taxes), and Settings. The main content area is titled 'Add Credit Card Payments' and features a table with two sections: 'Add Credit Card Payments' and 'Alternative Payment Settings'.
